ATTACHMENT #1 TO  
MONTANA DEPARTMENT OF TRANSPORTATION  
SOLICITATION #4199 – BILLINGS BYPASS

The purpose of this attachment is to provide additional information, which can be found below:

To Whom It May Concern,

Additional information is available on the MDT's ftp site (<ftp://ftp.mdt.mt.gov/upload/billings%20bypass/>) regarding the Billings Bypass RFP ([http://www.mdt.mt.gov/other/cdb/external/4199\\_Design\\_RFP\\_secured.pdf](http://www.mdt.mt.gov/other/cdb/external/4199_Design_RFP_secured.pdf)).

Independent design files were created for all the various alternatives/options/phases studied. Files related to the selected alternative are available. There is a file for the Mary 2 alignment, a file for the Five-Mile secondary Improvements and a file for an alignment modification of Mary 2.

Additionally, original aerial survey and photography files have been made available, as have the Google Earth fly through files.

**Please note that the information provided is preliminary in nature and has not gone through full compliance reviews typical of MDT submittals. Additionally, the information is conceptual in nature, developed to the degree necessary to complete the Environmental Document. Therefore, please consider this caveat if the information is utilized in any way.**

All other terms, conditions, specifications and incidentals shall remain the same as originally stated in the Request for Proposal #4199 – Billings Bypass

MDT attempts to provide accommodations for any known disability that may interfere with a person participating in any service, program or activity of the Department. Alternative accessible formats of this information will be provided upon request. For further information call Michael Doherty at (406) 444-9282 Voice or 1-800-335-7592 TTY or TTY (406) 444-7696.
