Subject: Montana 2009-2013 STIP
2009 STIP, Amendment Five

Dear Ms. Zanto:

The Federal Highway Administration (FHWA) has reviewed the subject Amendment Five for the Montana FY 2009-2013 Statewide Transportation Improvement Plan (STIP). Amendment Five provides the applicable project numbers along with the phases the Montana Department of Transportation wishes to program. The projects shown will not require a revised air quality conformity finding or transfer of funds between FHWA and Federal Transit Administration (FTA).

The revenue for the gap in total funding for the Ninth Street Island Bridge project above the \$625,001 Transportation Community & System Preservation (TCSP) funds has not been identified by Park County. Therefore this STIP approval will be for all listed projects except the Ninth Street Island Bridge project.

FHWA approval for this amendment is hereby given.

Sincerely,

Kevin L. McLaury, P.E.
Division Administrator
